PC-0102076AC03	90"/2286mm

Adam Tech PC Series International Power Cordset series offers a wide range of cordsets with numerous international approvals for worldwide applications. Each is approved for use by one or all of the major safety organizations such as UL, CSA & VDE. This series is available in a wide range of cord types with choice of wire gauge and various shielding options. We offer numerous standard Power Cords designed to comply with specific world market requirements and an unlimited variety of custom cords manufactured to our customer's specifications. Minimum order quantity may apply to Power Cordsets not listed herein.

CUSTOM CABLE ASSEMBLY SOLUTIONS

Adam Tech manufactures a wide selection of low cost, custom cable assemblies to exact customer specifications using our UL approved connectors, wire and cable. Our production lines utilize the most updated equipment and processes to provide our customers with the highest level of quality and reliability.
